

Welcome to Parent's Morning Out Program

The Episcopal Church of the Annunciation

REGISTRATION FOR OUR 2017-2018 PROGRAM IS NOW OPEN!

What is the Parent's Morning Out Program?

Our Parent's Morning Out program is designed to give parents a few hours a week to run errands, attend appointments, or maybe just take a break from the difficult job of being a parent! It is also a great opportunity for your child to spend time with other children in a fun environment supervised by our experienced caregivers. This program is open to all children from our church family, as well as children from the community. We strive to provide safe, quality childcare in a Christian environment. We have responsible, caring child care workers that will engage the children in age-appropriate activities like story time, playtime, and snack time. These activities allow children a variety of learning experiences in a safe and loving environment. All child care workers are required to take *Safe Guarding God's Children*, an in-depth educational and training program required by the Diocese of Georgia for preventing and responding to child sexual abuse in everyday life and in ministry.
