Dear People of Annunciation,

Did you know that George Washington is quoted as saying, "It is impossible to rightly govern the world without God and the Bible?" Abraham Lincoln is known to have said, "All things desirable to mankind are contained in the Bible." Patrick Henry said, "The Bible is worth all other books which have ever been printed." We could probably gather from these quotes that those very famous and influential men understood the importance of the Bible in their lives. They seemed to have had a good grasp 'of what was in it for them.' But what about us, have you ever asked yourself 'what's in it for me?' Why should I study the Bible?

Actually there are several good reasons to study the Bible. The first is that Bible knowledge can make you a more literate person. The Bible has been a cultural influence for hundreds of years and is reflected in art, literature, and music. How can we totally appreciate these things if we don't know the original source? We can choose to ignore the Bible's teachings if we wish, but its stories, parables and poetry will always be a part of our cultural heritage. We lose out if we ignore such a treasury.

Secondly, Bible knowledge can make you a more authoritative person. How many times have you listened to a discussion where an awareness of what's in the Bible could have helped you to speak with authority on the subject rather than settling for something off-the-top-of –your-head?

Thirdly, Bible knowledge can make you a more virtuous person. The Bible is filled with good and practical instruction: Do unto others as you would have them do unto you; Turn the other cheek; Share with those in need; Care about the 'overlooked' people in society; Respect others; Don't hold grudges; Be slow to become angry; to name just a few.

Lastly, the Bible can make you a more spiritual person. The search for spirituality is as intense today as it has been in years. Everyone is looking for the meaning to life. We can find it in the scriptures where we get a more complete and balanced picture of God, Jesus, & the Holy Spirit, as well as Jewish and Christian teachings. Just look at all the ways we benefit. I think those famous guys just may have been right. What do you think?

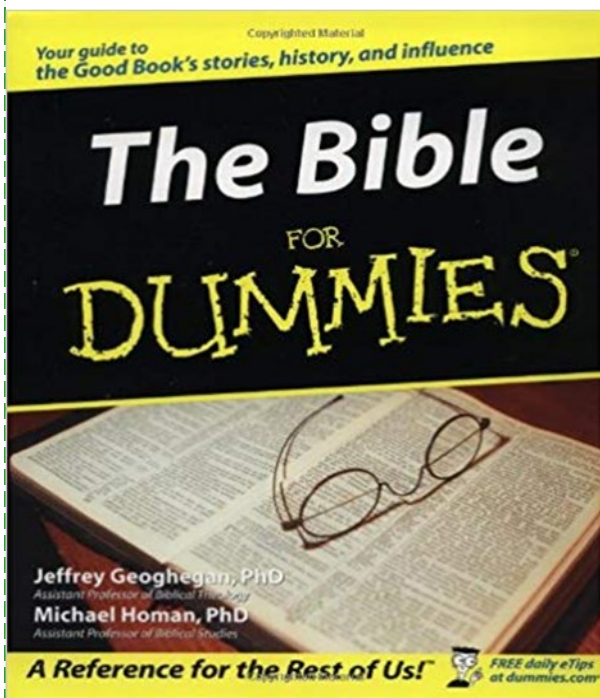

The study *The Bible for Dummies* will begin May 15, at 6:30 pm. If you want to get a better understanding of the Bible and how it shapes our world; if you would like a guide to the stories, history, and influence of the Bible in our world, then this is the study for you! In short, *The Bible for Dummies* is your one-stop reference for understanding the Bible and its continuing impact on the political, religious, and artistic landscapes of our world. *The Bible for Dummies* - a reference for the Rest of Us!

The Book or Kindle Edition can be purchased on Amazon, or at other Christian Book Store sources.

With the Love of Christ,

Denise+

## The Bible for Dummies Study

Begins Wednesday, May 15, 6:30 pm

Continues May 22 & 29.

Books or Kindle version can be purchased at Amazon or through other Christian Bookstores.

Ninety percent of Americans own a copy of the Bible, and while it's the most widely read book, it's also the least understood. Regardless of your religion, understanding the Bible brings much of Western art, literature, and public discourse into greater focus—from Leonardo da Vinci's "Last Supper" painting to the Wachowski brothers' *The Matrix* movies. People have historically turned to religion to deal with tragedy and change, and with the right insight, the Bible can be an accessible, helpful guide to life's big questions.

*The Bible For Dummies* appeals to people of all faiths, as well as those who don't practice any particular religion, by providing interfaith coverage of the entire Bible and the often fascinating background information that makes the Bible come alive. You'll find answers to such questions as:

- Where did the Bible come from?
- Who wrote the Bible?
- How is the Bible put together?

Follow the history of the Bible from its beginning thousands of years ago as tattered scrolls to its status as the bestseller of all time. *The Bible For Dummies* covers these topics and more:

- Ten people in the Bible you should know
- The Hebrew Bible
- The Apocrypha's hidden treasures
- What's new about the New Testament
- Israel's wisdom, literature, and love poetry
- The Bible's enduring influence
- The prophets: more than fortunetellers

Discover the world's all-time bestseller in an entirely new light. Whether you're interested in broadening your spiritual horizons, uncovering the symbolism of Western culture, or gaining a deeper understanding of the book you grew up reading, *The Bible For Dummies* has all the information you need to navigate this ancient and fascinating book. ## African Team Ministries

African Team Ministries is a Christian ministry working as an intermediary between African and American churches. With help from Episcopal, Methodist, Presbyterian, Lutheran, and Anglican denominations, we provide funding for orphan and refugee relief missions and evangelism in East Africa. Thru our support we are giving the gift of HOPE!

First, we want to say Thank You & God bless you, to all the churches and individuals who extended their missions outreach through a display of our crafts, jewelry, & soapstone mostly from East Africa! From these sales we are able to help in East Africa in life changing ways.

Some of these ways are:

- The care, health, & education of orphans
- Provision of jobs for unemployed women as they make crafts, and are thereby enabled to care for their children & parents
- Resources for projects of refugee relief, health education, clergy & lay education, and building repairs as they occur.
- Family-sized drip irrigation systems which provide a controlled release of water for maize (a staple food) using only 5 buckets of water daily
- By providing scholarships to Kenya Methodist University for education and training of Methodist pastor and lay pastors
- And most recently by sending a 40' container with 250,000 meals to Kenya, after the worst drought in 60 years caused a severe food crisis and left more than 3 million Kenyans facing malnutrition & starvation.

### High School Graduation Party for Victoria Rau

Sunday, May 19, 12:15 pm in the Parrish Hall

Everyone is invited to attend.

Congratulations to Victoria for being accepted into the Nursing Program at East Georgia College.

### Thank You's...

To Rebecca Miller for spending hours coordinating and calling everyone to make sure our picture will be in the new pictorial directory.

To all who have donated to the Youth to Honey Creek Camp Fund. It will be a fun and meaningful learning experience for our young people.

To all who have donated to our church pantry. Feeding those in need is a wonderful mission for our church. Your generosity is truly an inspiration.

## The Feast of the Ascension

Holy Eucharist Thursday, May 30, 6:30 pm

The Feast of the Ascension, celebrated always on a Thursday, is one of the chief feasts of the Christian year.

In the Book of Acts, Luke tells us Jesus appeared to the disciples 'during forty days' and then ascended into heaven, "While he was blessing them, he withdrew from them, and was carried up into heaven. And they worshiped him, and returned to Jerusalem with great joy; and they were continually in the temple blessing God." (Luke 24:51-53)

Jesus' ascension is important because without it, the church would have remained dependent on the appearances of the resurrected Jesus; instead of being transformed by the power of the Holy Spirit, and able to move forward into the future. In other words, we could not have had Pentecost without Jesus' ascension.
