Dear People of Annunciation,

Thanks to your generosity several of our young people had an opportunity to experience a week of camp at Honey Creek. If you've been to camp, you're not surprised to hear about the benefits of summer camp.

- Camp creates friendships.
- Camp gets kids back outside.
- Camp builds teamwork.
- Camp provides free time for relaxing and playing.
- Camp helps kids grow more independent.
- Camp expands every child's abilities.
- Camp gives kids a break from technology.
- Camp helps conquer fears.
- Camp helps kids experience success and become more confident.
- Camp is a place where kids spend their day being physically active.

Layla Turoski,

I liked camp because I made new friends and every morning and night we would pray, do a lesson and do a game about the lesson. One lesson was about a seed when it fell on rocky ground, then on soil. Next we played a game when the priest gave out cards that had a sentence on it. My groups card said the seed sprouts on the good soil. So we thought that I could lay on the floor for the good soil, then my teammates could go on the floor then sprout up like flowers or seeds. I would love to go back next year because it was fun. It was creative and we learned a lot about the bible and about friendship. I would like to thank my church for helping me go to camp.

Miah Turoski,

Thank you for letting me go to the camp. I had so much fun. I didn't want to go back home. I loved the food, breakfast, lunch and dinner. My favorite activity was archery and arts & crafts. I would love to go back again next year because it was so much fun.

Alexander Logan,

Dear church members,

I am thankful for you sending me to camp. I had an amazing time. I had the greatest friends there. I have gotten amazing at kayaking. I look forward to going again next year. The swim test wasn't bad and the kayaking test was really easy. I thank all of you again so much for sending me to camp.

Eleanor Martinez,

Thank you so much for the opportunity to go to camp. I learned a lot. My favorite things were tie-dying and swimming and the food was really yummy. I also liked archery and I hit the target a few times.

Madison Storkamp,

I want to thank everybody for helping to send the youth group to Honey Creek Camp. The counselors and new friends were all nice. The food was amazing. I enjoyed songs, dancing, art, games, nature time, Archery and worship time! I loved and enjoyed my time there. Thank you all so much.

As you can read, our young people had so much fun and are thankful!
Blessings, Denise+

Daughters of the King Welcomes You!

Please join us for our chapter's Daughters of the King meeting on **Sunday, August 25, 2019 at 11:45 AM** for fun, food, and fellowship as we enjoy lunch and share a program that will help you understand who we are and what is involved in the road to becoming a member of our Order. As members of Daughters of the King, we are Christian women who desire a closer walk with the Lord. We are strengthened through the discipline of a Rule of Life and supported through the companionship of our sisters. We are all ages and are at different stages of our Christian journey — some have just begun and some have been on this path for a long time. But no matter where we are on our sacred journeys, our primary goal is the same — to know and serve Jesus Christ. Please join us on August 25 as we share the vision of the Order with you, answer any questions you may have, and discuss the steps you might take to learn more and possibly consider becoming a member of the Order of the Daughters of the King.

Vision Statement of the Order of the Daughters of the King:

Empowered by the Holy Spirit, our vision as Daughters of the King is to know Jesus Christ, to make Him known to others, and to become reflections of God's love throughout the world.

If you would like more information, please call Beverly Thompson at 912-293-2385 or Reverend Denise at 660-973-9330. If you are unable to attend the meeting and lunch on August 25, but you have an interest in knowing more about the Order of the Daughters of the King, please let us know.

Church Safety Measures Update

Recently, Church Insurance, whose mission it is to protect the people, property, and assets of Episcopal congregations, visited our property and presented us with several recommendations. Two of these recommendations involved important safety measures:

1. To provide clearly marked and available first aid kits in all buildings.

- a. In the main church, the first aid kit is located on the fire extinguisher across from the men's restroom.
- b. In the parish hall, the first aid kit is located in the kitchen.
- c. In the office, there is a first aid kit in Karen's office and one in the old Sanctuary.

2. Install smoke detectors and fire extinguishers in every building.

- a. Smoke detectors are now in every building.
- b. In the main church, there is a fire extinguisher as you come in the back door across from the Vesting Room and one, across from the men's bathroom.
- c. In the parish hall, the fire extinguisher is located in the kitchen.
- d. In the office, a fire extinguisher is located in Karen's office and in the old sanctuary.

Please take time to locate the first aid kits and fire extinguishers just in case they are needed and please thank Jack Dell, our Junior Warden, for making sure we have complied with these recommendations from Church Insurance.

Altar Flowers

Opportunities to sponsor flowers for the Altar are available. This is a meaningful way to honor, remember or thank a loved one. If interested please call the church office. Donation of \$50 is requested but any donation is appreciated.
