July 20, 2020

Dear Friends,

Earlier in July, I met with several members of the Vestry to develop detailed plans for returning to in-person worship. These plans, outlined below, are based on guidelines (*Guidance for Church Physical In-Person Gathering and Building Use with Respect to COVID-19*, along with a *Safer Standard Chart* outlining the minimum required health standards) sent to every congregation in June by the Diocese. Bishop Frank Logue, in his letter to the clergy and lay leaders, said that we are to follow to the best of our ability the standards set in these guidelines to begin worshiping in-person at this time.

Using our plan, based upon the Diocesan guidelines, we will return to in-person worship on Sunday, August 2. Please understand; these guidelines are restrictive to keep us as safe as possible. Our insurance will not cover us if we do not comply with the guidelines to the best of our abilities. For those of you who feel concerned about returning to in-person worship, or feel you cannot follow the guidelines outlined below, we will continue to live-stream our service every Sunday via Facebook and send copies of the service via email. Paper copies are sent to those with no email.

Annunciation's Plan for Returning to In-Person Worship

Sunday Worship Services: Duration approximately 40 minutes.

8:00 am service in the Old Sanctuary – maximum number of people 10

10:30 am service in the New Sanctuary – maximum number of people 30

5:00 pm service in the Parish Hall – maximum number of people 12 – New Service & Time

Very Important! Every week, you will receive an email from Dorsey McMichael or the church office asking you to sign up via email for the service you will attend. Please reply to that email the service you would like to attend. For those without email, you will need to call Dorsey at 770-598-5212, or you may call the church office. **Please do not show up to one of these service without signing up or phoning, as we will need to make sure we do not go over the number allowed per spacing requirements.**

Masks are required for everyone 2 years old and older. If you come without a mask, one will be provided for you.

There will be a free standing hand sanitizer station located outside the front door to use before entering the building. At the 10:30 am service, an usher will escort you to your seat, as pews and certain seating areas will be closed off. The usher will record your name, contact information if needed, and pew location on a seating chart. The ushers will also be available to help remind us of the many guidelines we need to follow. At the other services, Rev. Denise will fill out seating chart. This information is necessary for contact tracing in case we need to let people know they may have been exposed to COVID-19.

Upon entering, each person will be given a small bag with Lysol wipes to clean their pew, chair, or table area at the end of the service. A covered trashcan will be available at the back of the church for disposing the used wipes as you leave.

There will be no congregating in the Narthex before or after the service. If you desire to spend time visiting after the service, we ask that it be done outside following good social distancing.

There will be one way and traffic flow markings on the carpet. The center isle will be used for entering and for moving forward to the pews and the altar for communion. For all exiting, and returning to your seat after communion, please use the side isles. To keep as much distance between you and the people in the pew, please walk single file in the center of the isle when you enter or leave.

There will be **No** Bulletins, Hymnals, or Prayer Books available. The service will be sent via email & mail for those without email. I encourage you to bring your own bulletin and prayer book.

There will be **No**: Nursery or youth activities; Singing of Hymns; Passing the Peace/Greetings; Passing the Offering Plate (it will be located at the back of the church as you enter); Procession; Food & Beverages.

The Eucharist will be offered (bread or hosts, and wine in small cups). The bread will be broken into small pieces and placed on the corporal on the altar. The individual small communion cups will be filled by the LEM. A hands free sanitizer station will be placed by the communion rail to use as you come up to the altar one by one, or by family. You will take a piece of bread or a host and a small cup of wine. Rev. Denise and the LEM will issue the words of administration allowing enough distance between us. A small trashcan will be placed beside the altar for the disposal of the used wine cups.

Restrooms will be for emergency use only. Signs are posted at each restroom detailing safe restroom procedures. A hands free sanitizer station will be located outside the bathrooms and Lysol wipes will be available in each restroom to wipe down areas that are touched. Please discard all wipes and towels in the trashcan before leaving.

Please wear comfortable, light clothing this summer. The buildings will be cold when you enter then, after the service begins, the air conditioning will be turned off (we will give this a try before looking into a more expensive way of cleaning the air). Remember the service will be shorter in duration.

Please remember if you have had a temperature of 100.4 F or greater, or any symptoms of COVID-19 in the past three days, or have been exposed to anyone with these symptoms, please stay home.

If you develop symptoms of COVID-19 and/or test positive within five (5) days after attending church, you must let me (Rev. Denise) know immediately. When such information is reported, others at the gathering may be notified of potential exposure, the public health department will be notified and Canon Loren Lasch in the Diocesan Office will be notified.

I know church will be very different. It certainly has been since March, but the Lord is with us and we will get through this time. I am praying and hoping that we will soon be able to move into Phase 2 which will be less restrictive while still seeking to keep us safe. Thank you for your cooperation and support. If you have any questions or concerns please feel free to contact me.

With the love of Christ,

+Denise

Video Live-Streaming Equipment Needed at Annunciation. Can You Help Us Raise the Funds?

Did you know that between 75 and 200 people have been watching our service each week on Facebook? I've heard you ask: how can we introduce our beautiful and meaningful worship service to those who have never experienced the richness of the Episcopal Church? Well, unfortunately and fortunately, it has taken a pandemic to open the way for the world to experience the Episcopal Church. If there is one good thing to come out of this pandemic, this outreach of live-streaming our service to the public is it!

Therefore, the Vestry has agreed that we will need to continue to live-stream even after COVID-19 is a thing of the past. We have been very fortunate to have Danielle Turoski and Christina Storkamp videoing our service using their phones and a tripod. But they can't do this forever. As soon as possible, we will need to purchase a professional video camera, computer, and sound system. Danielle had been researching what we will need; the cost will run between \$2500 & \$5000.

The Vestry would like to ask for your help in raising these funds. The amount we raise will help determine what we can purchase. If you would like to donate to the live-streaming equipment, please make a check out to the church and in the memo write: For Live-Streaming Equipment. Thank you!!

Remote Giving Options

During this time when we have not been able to worship in-person, the vestry and rector would like to thank you very much for continuing to send in your tithes and offerings to the church.

Online Giving is now available at Annunciation

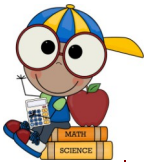

We are excited to announce that you can now give online through our website www.annunciationvidalia.org. We have partnered up with PayPal, an online giving option. PayPal offers a fast, easy checkout process and accepts PayPal credit, credit cards, debit cards and Venmo. When you go to our website you will see the Payment Button. There is a fee of 2.2% of the transaction amount. If you can cover this fee with your donation, it would be greatly appreciated. Also, with your donation please let us know if it's a Pledge, or to be used for some other purpose like the Memorial Fund or Discretionary fund.

Other options to use during this time are:

Direct Bank Checks – regular monthly check's to the church through your financial institution.

Mail a Paper Check – The oldie but goodie...you can always mail in a paper check to the office.

This has been a difficult time for everyone and for many it has been a time of financial hardship. Please know you can reach out to Rev. Denise and any of your vestry members for support. We are hopeful that soon we will be able to worship together at best, in small groups. Our prayers are with you.

These masks have been made by Jen and Eleanor Martinez for our church family. If you would like to come by the church and pick out a mask for you and/or family members, please stop by the church offices first so we can let you into the Narthex.

Thank You's...

To Danielle Turoski and Christina Storkamp for their amazing live-streaming skills. We couldn't have done it with out you.

Congratulations!

Harry & Jackie Moses just became the proud grandparents of a beautiful baby boy. Parents John Collins and Lizzie O'Leary welcomed Samuel George Collins on July 2 , 2020.
