Dear People of Annunciation,

It's September already? Even with all the craziness going on since March, time flies. None of us could have known what this year would be like. The disruptions, losses, and anxieties that the coronavirus pandemic has brought to our communities, has tested our resolve, but not our faith. We are stronger, more resilient, and more connected than we have ever been as a Church and as a community of neighbors. This is because each one of you did your part in your homes, workplaces, schools, neighborhoods, families, and here in our church. Thank you for your service and generosity. It seems appropriate that, because of your faithfulness the theme for this year's stewardship season is:

Faith-Filled Generosity!

“Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received”. – 1 Peter 4:10.

Your faith during these difficult days has been a witness to the love of God and neighbor. We experienced many weeks of not being able to gather in person, therefore the usual focus on weekly worship was spread throughout the week as we found ways to take more time to pray for each other's needs and find ways to serve our community. We used this time to discover, hone, and put to use the gifts we have received from God and I have witnessed the many ways that you have used your resources for the mission of the Church and to help each other.

You have been an inspiration to me and I feel very hopeful as we begin to plan our work together through the end of this year and into the next. This stewardship season we will explore the way that our generosity is inspired by our faith, how we are formed and led into relationship with each other as we share our gifts with the world. This is what we mean by “Faith-Filled Generosity.”

How will *you* discover and use the gifts you have been given to help our church this year? How will *you* hear the Gospel call to seek and serve Christ in all people, and respond with generosity? As I reflect on each family, each individual in our community, I realize that we are the stewards of God's manifold grace because we give to the world from which we have received.

In the first week of October, your stewardship committee will be sending you a packet with your pledge card and an appeal. I invite you to receive this with grace and prayer as you consider how you will share with God and God's Church from what you have received. Pledge Card Sunday is November 1, All Saints Sunday. This is the day your pledges will be blessed at the altar and we will give thanks for the many Annunciation Saints, and your generosity.

With the Love of Christ,
Denise+

Pentecost Season, August Year A

Miracles: transformational moments

BY J. DAVEY GERHARD

The Gospels of August 2020 contain two transformational stories in the ministry of Jesus that weave the strongest threads in our Christian tapestry. What do these stories have in common? Radical hospitality and abundance. Together these two hallmarks of Christian values form our view of the Kingdom of Heaven and inform how we relate to our neighbors. August is a month of Faith-Filled Generosity.

The first of these transformational moments occurs beside the Sea of Galilee, where Jesus spends a long day healing and teaching a great crowd. Do you, like me, wonder what he was teaching? Was he empowering them to free themselves from the oppression of worry and to focus on loving their neighbor? Was he reminding them that they were perfectly created children of God? Did he cure all kinds of diseases that day: emotional pain, disease, spiritual bleakness? Whatever it was, it lasted late into the day, and, in yet another act of compassion, the Savior did not want them to leave before they had their fill of teaching, of healing, and of nourishment.

Scholars debate the actual miracle that occurred next. Did Jesus make a feast from a few scraps of food? Or did he unlock the sharing and compassion of the crowd, so that their own pocketful of food created a feast when combined with their neighbors' pocketful? Debating this miracle, to me, seems like counting angels on the head of a pin – the truth is that people were fed, a problem that needed a solution was solved, love happened here.

Scraps of food also feature in the second of August's transformational Gospel passages, as we learn about Jesus' conflicted relationship with the Syrophoenician Woman. Jesus does not appear in this story as the virtuous, blameless hero — quite the opposite. If a passerby had filmed this on their phone and uploaded the scene to Twitter, would we have canceled Jesus for the racist and dismissive way he treats this woman who is outside the fold of the chosen people of God? When Jesus demands to be fed before tending to a sick child, and then compares the child to a dog, some might have backed down. Who is to argue with a man rumored throughout the countryside to be the Son of God?

When the Syrophoenician Woman advocates for her child, and stands up to Jesus, two transformative miracles occur. The first is that the child is healed. The second, the transformation that echoes throughout the rest of history, is that Jesus himself is changed. From this moment he realizes his ministry is to heal all who come to him: Galilean, Samaritan, Phoenician, Jew, Pagan, regardless of religion or culture. We are the inheritors of this grace, of this generosity. When we share our gifts with the world, extending hospitality and creating abundance, it's nothing short of a miracle. Amen.

Video Live-Streaming Equipment Needed at Annunciation.

Can You Help Us Raise the Funds?

Did you know that between 75 and 200 people have been watching our service each week on Facebook? I've heard you ask: how can we introduce our beautiful and meaningful worship service to those who have never experienced the richness of the Episcopal Church? Well, unfortunately and fortunately, it has taken a pandemic to open the way for the world to experience the Episcopal Church. If there is one good thing to come out of this pandemic, this outreach of live-streaming our service to the public is it!

Therefore, the Vestry has agreed that we will need to continue to live-stream even after COVID-19 is a thing of the past. We have been very fortunate to have Danielle Turoski and Christina Storkamp videoing our service using their phones and a tripod. But they can't do this forever. As soon as possible, we will need to purchase a professional video camera, computer, and sound system. Danielle had been researching what we will need; the cost will run between \$2500 & \$5000.

The Vestry would like to ask for your help in raising these funds. The amount we raise will help determine what we can purchase. If you would like to donate to the live-streaming equipment, please make a check out to the church and in the memo write: For Live-Streaming Equipment. Thank you!!

Memorial Service at 4:00pm and Blessing of the Animals at 4:30pm Sunday, October 4 and all pets are welcome!

At 4:00pm, a Memorial Service will be held in the St. Francis Memorial Garden to remember and give thanks for our deceased beloved pets and to scatter ashes.

Immediately following the Memorial Service, the blessing of our beloved living pets will take place along with blessing of the pet supplies collected to be donated to SOAPS. Refreshments will be served for humans and animals.

To Support SOAPS and the good work they do in our community please bring to church in September donations of dry puppy and dog food (Purina or Pedigree), towels and blankets (gently used), leashes & collars-all sizes, Tractor Supply or Walmart gift cards.

Remote Giving Options

During this time when we have not been able to worship in-person, the vestry and rector would like to thank you very much for continuing to send in your tithes and offerings to the church.

Online Giving is now available at Annunciation

We are excited to announce that you can now give online through our website www.annunciationvidalia.org. We have partnered up with PayPal, an online giving option. PayPal offers a fast, easy checkout process and accepts PayPal credit, credit cards, debit cards and Venmo. When you go to our website you will see the Payment Button. There is a fee of 2.2% of the transaction amount. If you can cover this fee with your donation, it would be greatly appreciated. Also, with your donation please let us know if it's a Pledge, or to be used for some other purpose like the Memorial Fund or Discretionary fund.

Other options to use during this time are:

Direct Bank Checks – regular monthly check's to the church through your financial institution.

Mail a Paper Check – The oldie but goodie...you can always mail in a paper check to the office.

This has been a difficult time for everyone and for many it has been a time of financial hardship. Please know you can reach out to Rev. Denise and any of your vestry members for support. We are hopeful that soon we will be able to worship together at best, in small groups. Our prayers are with you.

United Thank Offering

How to live a life of gratitude for daily blessings? It is unbelievably easy! Just breathe a quiet prayer of "Thank you, God!" as good things come to you throughout your day. To make it even more special, share that goodness with others and drop a coin or bill in your United Thank Offering Blue Box. It may become part of a grant for a van to carry someone to a clinic for medical care, or to a church in a faraway place with no transportation, or even a motorbike to make it possible for a priest or deacon to make rounds for services in a jungle or desert somewhere. Amazing things happen when we share the love of Jesus!

Look for Blue UTO Boxes in the Narthex.

Please bring in filled boxes Sunday, November 1.

Thank You's...

To everyone for their continued efforts in keeping our church safe during this COVID-19 pandemic.

To everyone who donated school supplies to be donated to J.D. Dickerson Elementary School.

To Dorsey Ladson McMichael for helping to coordinate and keep track of the number's of parishioners at each service so that we may enjoy in-person worship again.

To Frank Champion, Hugh Jordan and Wes Chapman, for their combined efforts in doing this year's church audit.
