Dear People of Annunciation,

As you can see from all the great pictures, we had a glorious visit with Bishop Frank and his wife Victoria. Several of these pictures were taken by Bishop Frank who during the service confirmed: Sarah Solis, Lilly Sullivan, Gabriel Bonilla, Jesus Hernandez, & David Cheney. Margaret Fullam was received into the Episcopal Church. Each of them received their own personal Book of Common Prayer and they were able to get Bishop Frank to sign them. It was wonderful to have the Archdeacon of the diocese, the Rev. Dcn Yvette Owens from Christ the King Episcopal Church in Valdosta to assist in the service, and our youth choir did a great job singing the Praise Song 'Soul On Fire.' After the service, we gathered in the parish hall to enjoy some delicious food and to congratulate the confirmed and received. Thank you to everyone who participated and helped in any way to make it a very special day.

Blessings, Denise+

Your congregation and your Diocese need you to participate in the Strategic Planning process, which will provide a shared direction for the next five years.

This process is primarily intended to help the people of the Diocese discern how the Holy Spirit is leading us into the future and then naming that shared vision in a clearly defined plan. In asking, "What does fidelity to Jesus look like in this moment?" we can confidently look to the Spirit to guide us into new ways of embodying our living hope.

An Invitation to Love: Theological Statement for our 2024 Annual Giving Campaign

Walk in Love

An Invitation to Love: Theological Statement

In nearly every Episcopal liturgy in which I have participated the celebrant quotes from Ephesians 5:2 to invite the offerings of our time, talent, and treasure to be placed on the altar. "Walk in love," the offertory sentence begins, "As Christ loved us..." These words are said at the pivotal moment in our liturgy as we move from the reading of and response to the Word into the sacrament of Holy Communion. It is poignant to observe that we mark this moment of transition with an invitation to walk in love.

When we walk in love, there is clarity and purpose. We move in alignment with each other and with our values. Walking in love is also something we cannot do alone - by definition it implies connection, community. Whether we walk with our children or our spouse, or form an orderly line, or rely on the help of a friend or a neighbor to come to chancel we carry with us all with whom we are in communion and they carry us with them. Our journey is one made by millions, over thousands of years. A cycle of sharing and invitation.

What a way to bring our gifts forward: first the bread and wine followed by the offering plates, and finally ourselves - walking in love! When we gather in love, bless, break, and share our gifts and ourselves with the world, we bring healing and transformation to our world.

This year you are invited to join in the timeless call to walk in love as you share your wealth, works, and wisdom with a world in need. | tens.org

Questions for Reflection:

How is your ministry impacted as you understand yourself as one of the gifts invited to the altar to be shared with the world?
